## IMIKA OIIMATI NDELE TO INDYIPALA

Omahongo oku "Imika Oiimati no ku Indyipala" (BFAM) oyo oku deulwa momifindalandu do kuringa omuhongwa no mondjokonona ya totwapo oku kwafela ovashikuli va Kristus naava vena ehalo oku ninga ovahongwa va Kristus opo va udeko kombinga ye kwatafano leli kalekelwa eli tava kala vena na Kalunga oo umwe washili ou ena omwenyo. BFAM oyo omahongo ya totwapo oku ulikila ovashikuli va Kristus onghalamwenyo yili mouyadi, ei tava kala vena mekwatafano na Jesus.

Ovanhu ova shitilwa va kale mekwatafano no vanhu va kwao. Shafimana unene, ovanhu ova shitwa va kale mekwatafano na Kalunga. Oidyemo youlunde oyo etukauko lekwatafano pokati komunhu no munhu ndele no munhu na Kalunga. Etekauko lomakwatafano etu ola ninga ovanhu vahupe eenghalamwenyo kadina oukumwe novanhu vakwao, noshoo noishitwa aishe, ndele na Kalunga. Etomhelo eli olo la eta mounyuni omu tu monemo oita, ondjala, omaluodi, omikifi, oidu, ovapangeli vehena ouyuuki noshoo oiwana yihena ouyuuki. Ngeenge kapena eudeko la ngehe tuna oku longamo oulunde na ngehe tuna oku tungulula omakwatafano, otashitu ningi tuhupe eenghalamwenyo da kamungaho.

Onghundana lwa oyei kutya Kalunga okwetu ningila ondjila tu kale twa monamo oulunde no ku tungulula omakwatafano. O BFAM oya hala oku hongwa ovanhu ngehe tuna oku leshe noku monamo Onghundana lwa tai hangika mo Ndjovo Iyapuki ya Kalunga, Ombibeli. Eshi ovanhu tava monamo Onghundana lwa tai hangika momahokololo Ombiibeli, oshili ya fimana mo Mbiibeli otai hololwamo. Oshili ei yafimana yo mo Mbiibeli ohai shiivifa ovashikuli va Kristus vahupe mekwatafano lo moule na Kalunga. Omalandulafano o BFAM oku monamo oshili yomo mbiibeli ohaa kwafa oku wilika ovanhu opo va shiive oku lihonga no kuudako Ombiibeli.

Mo Mbiibeli, Kalunga okwa ninga eudaneko kwaava tava kongo moshili oku shiiva oshili: "Puleni ndee tamu pewa; kongeni ndee tamu mono; kongholeni mu yeululwe, shaashi keshe ou ta pula ota pewa naau ta kongo ota mono, ou ta konghola omuvelo otau mu patululilwa (Mateus 7:7-8). Omahongo aa o BFAM otaa hongo ovanhu ngehe tava pula, tava kongo, no ku konghola. Otava hongo ovanhu ngehe vena okulesha Ombiibeli no ku tala oshili ya Kalunga. Oshili oyeyi kutya Kalunga okwe tupa oshinakuwanifwa shomaulunde etu no kwa hala oku tunga omakwatafano etu. Ava velipakamo mo kukonga oshili ya Kalunga naava tava hupu moshili ei tai hangika mo Mbiibeli, ovo ova udanekelwa va hanganifwe mekwatakanifo lavo na Kalunga. Ngeenge ekwatakanifo lo munhu na Kalunga ola hanganifwa, ohava hupu eenghalamwenyo dili mouyadi.

Etomhelo eshi omahongo aa taa ifanwa "Imika Oiimati noku Indyipala" oleli kutya onghatu yo tete yo kuhupa onghalamwenyo mekwatafano na Kalunga ouna oku monamo kutya Kalunga okwetu shita tu hupe onghalamwenyo tai imike oiimati. Otwa ifanwa tu hupe onghalamwenyo yo ku imika oiimati apeshe pa lutu no pa mhupo (tala Genesis 1:27-28 and Mateus 28:18-20). Sha faafana no ku takamifa ounona vetu vo palutu va fike mekulo, na fye yoo otuna oshinakuwanifwa ongo va shikuli va Kristus tu takamife ekulo lounona vetu vo pa mhupo. Oshihopaenenwa, eengudu do pau mwene no do pau hongwa ava hava kulu pa mhupo ota vadulu okuhonga, oku wilika, noku pukulula vakwao sheli kolelela moshili no moufemba weendyovo da Kalunga. Etelelo lo BFAM nelalakano lavo lauhuninwa olo oku humifakomesho eenghalamwenyo di kule no di imike oiimati shaashi onghalamwenyo ei hayi imike oiimati otai wilike omunhu me indyipalo lo pa mhupo.

# Eshiivifo lo Mahokololo

Keshe ehongo lo BFAM ola taalela mehokololo la yooloka ladya mo Mbibeli. Jesus okwa tonga adishe edi keengudu dovanhu momafaneko, Oye ina tonga kuvo di he fi domafaneko, opo eendjovo odo domuprofeti di ninge doshili eshi ta ti; Ohandi popi momafaneko "(Mateus13:34-35). Kalunga okwa holeka oinyengadunge mo mahokololo o Mbibeli no kwa hala fwe tu mone mo no ku patulula oihoekwa ei.

Omahongo o BFAM mwa kwatelwa omilandu do kuli honga do BFAM ota di ku kwafa u patulule oihoekwa ei ndele tai ku pe eedyila dayela do ku longa mo oshili monghalamwenyo yoye ye fiku ne fiku. Eshi to tula moilonga oshili ei yomo Mbibeli otai ku wilike mekwatafano lomoule na Kalunga no tai etapo onghalamwenyo ya adifwa nohole, nehafo nombili.

Otwa yandja eyeletumbulo eli tali shikula apa, okudya mo Mbibeli, opo tu ulike nghee to dulu oku longifa omifindalandu domahongo o BFAM no ku ku ulikila efimano loma hokololo o Mbibeli. Konima wa lesa etwalemo lomahokololo Ombibeli ove oto ka wilikwa moma pulo eli omugoi aa taye ku kwafele umonemo oshili ei ina eenghono ya holekwa mehokololo. Manga ino tameka kufa okafimbo ndele to pula Kalunga eku kwafe opo umonemo oshili ei ya holekwa.

Eshiivifo le hokololo lo Mbibeli: Ookaume va Jesus ova li va monamo kutya Jesus okwali ena ekwa tafano lili popepi pepi na Kalunga. Ovali hava monomo luhapu kutya Jesus okwa kala momafimbo opa umwene ta ilikana ku Kalunga. Vo ova monenemo natango kutya shaashi Jesus okwa kala ena ekwatafano lo poupepi pepi na Kalunga Ye okwa li ena onunongo edule ovanhu aveshe neenghono do ku longa oinyengadunge. Efiku limwe ookaume va Jesus ove mu pula eva honge oku ilikana. Me yamukulo le indilo lavo Jesus okwe vapele oitya ye ilikano lipu lipu nghee vena oku ilikana. Pehulilo le ilikano Jesus okwa lombwela ookaume kae efaneko tali shikula apa.

Ndelenee Ye okwe va lombwela; Olyelye womunye e na kaume kaye te uya kuye mokati koufiku ndele ta ti; Kaume kange, pe nge omingome nhatu, osheshi kaume kange a dja kondjila e uya kuame nondi he na eshi handi mu pakele po; ndele winya womeumbo te mu nyamukula ndee ta ti; Ino ningila nge oupyakadi, omuvelo owa patwa, nounona vange va nangala puame momutala, itandi dulu okupenduka ndi di ku pe. Ohandi mu lombwele, ngenge ita penduka e mu pe omolwoukaume, ota penduka omolwekenyeneko laye, ndele ote mu pe shi fike peemhumbwe daye. Ndelenee handi mu lombwele; indileni, ndee tamu pewa, kongeni, ndee tamu mono, kongholeni, ndee tamu yeululwa. Osheshi keshe tuu ou ta indile, ota pewa, nakeshe tuu ou ta kongo, ota mono, naau ta konghola, ota yeululwa. Ndele olyelye womunye xe ou, omona waye ngenge te mu indile oshi, te mu pe eyoka ponhele yoshi, ile mu indile ei, te mu pe ngeno ondye? Hano nye ovaii, ngenge omu shii okupa ovana vani oipewa iwa, unene Xo yeni yomeulu ta yandje Omhepo lyapuki kuava tave mu indile.(Lukas 11:5-13)

Paife eshi wa lesa ehokololo ohatu ku pitifa meenghatu dili nhatu (3) do ku ku humifa komesho edi tadi ku wilike moma monemo aela Ombibeli. Opena omapulo eli atatu akwa telwamo mukesho onghatu yeenghatu edi nhatu, yomuvalu womapulo ya ninga omungoi (9). Onghatu yo tete otai ku kwafa **USHIIVE** ehokololo. Onghatu onhivali otai ku kwafa **UJDEKO** ehokololo. Onghatu onhi nhatu otai ku kwafa **UMONEMO** oshili sha holekwa mehokololo. Oto dulu oku kufa efimbo lihapu ngaashi naa naa wa pumbwa opo u ilikane eshi to piti mu keshe onghatu.

## ONGHATU 1: SHIIVA EHOKOLOLO - PULA

Manga ino monamo oiholekwa ei tai monika mo ma hokololo ile momafaneko mo Mbiibeli ouna tete oku "SHIIVA" ehokololo. Keshe ehokololo olina eengushu dili nhatu da shiivika, mu keshe eengushu edi nhatu ehokololo ina li pwa. Edi tadi shi kula apa eengushu da pumbiwa dili nhatu:

1. Oolyelye ava vo Maukwatya mehokololo?
2. Oilonga yaava vo Maukwatya oilipipo mehokololo eli?
3. Oitwa yomauelele mehokololo eli yilipi?

Ngeenge ove oto dulu oku monamo ovana Maukwatya, no ilonga yavo no itwa yo mauelele me hokololo opo to SHIIVA ehokololo. Ohatu ka uli kamo Omaukwatya, oilonga no itwa yo mauelele mehokololo eli twa lesa. To longifa opena ile opena ye kala kufa okafimbo kanini opo umo nemo ei tai shikula apa:

- Monamo ndele to didilike omunaukwatya. Omunaukwatya oye omunhu. Ngeenge wa monapo omunamaukwatya ina shi pumbiwa utende omunamaukwatya oo keshe efimbo ta holoka mehokololo.
- Monamo ndele to didilike keshe oshilonga tumbulo. Oshilonga tumbulo osho oilonga nenge oshiima shaningwa.
- Mona mo ndele to didilike oitwa yo mauelele aa eli kalekelwa no afimana.

Paife monamo ndele to didilike ovanamaukwatya, oilonga no itwa yo mauelele mehokololo lo Mbiibeli:

Ndelenee Ye okwe va lombwela; Olyelye womunye e na kaume kaye te uya kuye mokati koufiku ndele ta ti; Kaume kange, pe nge omingome nhatu, osheshi kaume kange a dja kondjila e uya kuame nondi he na eshi handi mu pakele po; ndele winya womeumbo te mu nyamukula ndee ta ti; Ino ningila nge oupyakadi, omuvelo owa patwa, nounona vange va nangala puame momutala, itandi dulu okupenduka ndi di ku pe. Ohandi mu lombwele, ngeenge ita penduka e mu pe omolwoukaume, ota penduka omolwekenyeneko laye, ndele ote mu pe shi fike peemhumbwe daye. Ndelenee handi mu lombwele; indileni, ndee tamu pewa, kongeni, ndee tamu mono, kongholeni, ndee tamu yeululwa. Osheshi keshe tuu ou ta indile, ota pewa, nakeshe tuu ou ta kongo, ota mono, naau ta konghola, ota yeululwa. Ndele olyelye womunye xe ou, omona waye ngeenge te mu indile oshi, te mu pe eyoka ponhele yoshi, ile mu indile ei, te mu pe ngeno ondye? Hano nye ovaii, ngeenge omu shii okupa ovana vani oipewa iwa, unene Xo yeni yomeulu ta yandje Omhepo lyapuki kuava tave mu indile.(Lukas 11:5-13)

Kwashilipaleka kutya ove owa monamo shili mondjila ovanamaukwatya aveshe mehokololo. Ei tai shikula apa omusholondodo wo vanamaukwatya ava va monikamo mehokololo:

- Jesus
- Ove
- Kaume koye ko tete ou wapula omboloto
- Kaume koye omutivali mondjila
- Ounona voye ava va nangala
- Keshe ou ta pula, ta kongo ndele ta konghola
- Omonamati woye
- Tate wo meulu
- Mhepo lyapuki

Owa SHIIVA paife ehokololo shaashi owa ulikamo ovanamaukwatya, oilonga yavo nomahokololo avo mehokololo. Kufa okafimbo kanini ndele to monomo ngeenge oto shiiva oku popyamo ehokololo mopale ile melimweneneno momadilaadilo oye, ino tala kehokololo. Oto monomo diva kutya ouna eshiivo lehokololo.

## ONGHATU 2: UDAKO EHOKOLOLO - KONGA

Paife eshi wa *SHIIVA* ehokololo, ouna oku konga opo wu *UDEKO* efimano nomuty o wehokololo. Ondjila iwa oku udako omuty o wehokololo ongeenge ashike wa taalela omaudeko omayooloko akesh e omunaukwatya. Monghatu omu oshafimana ukufe "onghatu meenghaku" da keshe omunaukwatya opo ukabadale umonemo oukeshe wo unhukwatya wavo. Okuninga eshi ohatu pula onghatu yimwe vali yo mapulo atatu. Taa shikula apa omapulo atatu to dulu oku pula sheli kolelela ku keshe omunaukwatya:

1. **Omaliudo** eli ngahelipi aa keshe omunaukwatya ta monomo?
2. **Omahoololo** eli ngahelipi aa keshe omunaukwatya ena?
3. **Malalakano** elipi aa eli konima ye hoololo la keshe omunaukwatya?

Oshihopaenenwa, ngeenge owa kufa onghatu meenghaku domunaukwatya omutivali mehokololo eli lili pombada, ou oove, **omaliudo** elipi ove tokala una mwoove eshi toi ku kaume koye mokati koufiku uka ehele omboloto? Owa limbililwa? Owa tila? Omaliudo elipi aa ove to kala uudite?

Konima ove wa konaakona eshiivo lomaliudo omunaukwatya ouna oku monamo nokutya **omahoololo** elipi aa omunaukwatya achoolola. Monamo omunaukwatya elifa ou oove, **omahoololo** elipi amwe natango aa wa hoolola ina mu kwatelwa okuya ku kaume koye mokati koufiku no ku ka pula omboloto? Ngeno owa shiiva ngoo oku teelega ongula uye uka pule omboloto? Ngeno owa lombwela ngoo kaume koye ou eli mondjila kutya kuna oikulya umupe? Atushe otuna omahoololo ayooloka meenghalo do nghalamwenyo. Ota shi kwafa lela u konaakone kutya omahoololo elipi elipo ngeenge to feefekanifa nehoololo eli la kufwa mehokololo.

Eshi to konaakona omahoololo ayooloka kwaali la kufwa komunaukwatya, kongamo opo umone eudeko **lomaliudo** aa ali konima yehoololo eli omunaukwatya ou akufa. Natango ngeenge to monomo omunaukwatya ou, ngeenge ove owali una oumbada (momaliudo) kombinga yoku taalela kaume koye mokati koufiku, owa finda omaumbada woye ndele to konghola omuvelo wa kaume koye. Owali una **Omaliudo** eli ngahelipi konima wa kufa etokolo ukonghole omuvelo va kaume koye, ile oshike eshi shali shekupa enghoono no she ku ninga ukanife oumbada woye? Oshali mbela ohole nefilo shisho la kaume koye? Oshali ashike oshinakuwanifwa shaashi wali wa teelega? Elalakano lilipi **lomaliudo** eli la nwefamo opo ehoololo olo la ningwa?

Mokupula omapulo aa yomaliudo, omahoololo no malalakano otae ku twala moule ***WESHIIVO*** lehokololo. Otave kupe eshiivo lo ***KUUDAKO*** efimano le hokololo. Omapulo aa atatu naa pulwe mu keshe omunaukwatya mehokololo. Oshihopaenenwa, Kaume koye okwali eli monghalo **yomaliudo** eli ngaipi eshi wa konghola omuvelo mokati koufiku to kongo omboloto? Mbela kaume koye okwali ngoo ena **ehoololo** opo ekupe ile ehekupe omboloto? Konaakona mo hano **omaliudo** aa tashidulika kaume koye kwali ena eshi ekupe omboloto.

Eshi wa kufa onghatu meenghaku domunaukwatya keshe noku pula omapulo atatu aa yomaliudo, omahoololo no malalakano oto ka monamo kutya ehokololo otali kala li omwenyo. Omafimbo ahapu ngeenge twa udu ehokololo paushitwe ohatu konakona mo omaliudo, omahoololo no malalakano ovanaukwatya ina tu shidiladila. Omuty o woshili wehokololo oha wu ulikwamo komapulo aa atatu. Oku pitila momapulo aa atatu omo hatu dulu oku konga ***EUDEKO*** loshili mehokololo.

## ONGHATU 3: MONAMO OSHILI - KONGHOLA

Paife eshi wa enda monghatu 1 no 2 **USHIIVE** no **KUUDAKO** ehokololo, otweya konghatu onhinatu yo ku **KUMONAMO** oshili ya holekwa mehokololo. Dimbulukwa, shelikolelela keyeletumbulo eli Jesus apopya kutya, “Ngeenge owa PULA oto pewa, ngeenge owa KONGA oto mono no ngeenge owa KONGHOLA omuvelo otawo ku eululilwa.” Monghatu 1 otwa PULA omapulo atatu aa etu kwafela oku shiiva ehokololo. Monghatu 2 otwali atu KONGO opo tumonemo omunaukwatya keshe. Paife monghatu 3 otwa hala oku KONGHOLA omuvelo wa Kalunga neetelelo opo Ye a yeulule omuvelo no ku tu ulikila oiholekwa ei yili mehokololo.

Jesus okwetu honga kutya omahongo aeshe Momishangwa otaa dulu oku fatululwa moipango ivali. Oshipango shotete osho oku hola Kalunga nomitima detu adishe, omwenyo, omadilaadilo neenghono. Oshipango oshitivali osho oku hola vakwetu ngaashi tu li hole fyee vene. Osho osha hala okutya keshe ehokololo mo Mbibeli olina ongushu yo kutu honga omadilaadilo eli mondjila Ombibeli noilonga ei tai tu wilike tu udeko nghee tu na oku hola Kalunga nomitima detu adishe, omwenyo, omadilaadilo neenghono no nghee tu na oku hola vakwetu ngaashi tu li hole fyee vene.

Onghatu onhinatu oya kwa telamo omapulo natango atatu 3 aa tae tu kwafele oku ulikamo oinyengandunge tai monika mo ma hokololo Ombibeli. Yo omapu, ndele nee omapulo yo moule:

7. Omapulo elipi eli mondjiila yomadilaadilo ombiibeli noilonga tai monika mehokololo?
8. Ehokololo eli otali hongo nge shike kombinga yo ukwatya wa Kalunga ou tau kwafange ndikale ndi Mu hole hwepo?
9. Ehokololo eli otali hongo nge shike kombinga yo ku hola vakwetu hwepo?

### Emonemo Epulo 1:

Eshi wa konaakonamo ehokololo, omapulo elipi eli mondjiila yomadilaadilo ombiibeli no ilonga? Oshili ngoo mondjila ngeenge ta kuti Kalunga okwa hala fye tu pule, tu konge no ku konghola? Eyi oyo ngoo oilonga ili mondjila yo Mbibeli? Oshike vali wa mona mehokololo eshi tashi tu hongo kombinga yo madiladilo noilonga yili mondjila? Kufa okafimbo oka shona ushange omusholododo:

---

---

---

### Emonemo Epulo 2:

Ngeenge wa monamo omadilaadilo noilonga yoshili yo Mbiibeli, epulo etivali otali pula, “Ehokololo eli ota li hongo nge shike kombinga yo ukwatya wa Kalunga ou tau kwafange ndi kale ndi mu hole hwepo? Eshi wa konaakona ehokololo, oshili ngoo mondjila okutya ehokololo eli ota li tu hongo kutya ohatu tale Kalunga onga Tate omuwa? Oshike vali ehokololo eli tali tu hongo kombinga ya Kalunga eshi tashi tu kwafele tu kale tumu hole nomitima detu adishe, omwenyo, omadilaadilo neenghono?”

---

---

---

**Emonemo Epulo 3:**

Epulo lauhuuninwa otali pulwa, "Ehokololo eli otali hongonge shike kombinga yoku hola vakwetu hwepo?" Eshi to konakonamo ehokololo, otoli hongo shike kombinga yoye mwene? Na oshike toli hongo kombinga nghee una okuli humbatela vakweni? Jesus okwati tu kale tu hole vakwetu shifike po dodo ngaashi tuli hole fye vene.

**Ondjokonona Paufipi:** Ngeenge owa tula mo ilonga Omapulo aa 9 ku keshe ehokololo mo Mbibeli otae ku kwafa u **SHIIVE** ehokololo, **JUDEKO** ehokololo no sha uhuninwa u **MONEMO** oinyengandunge ya holekwa mehokololo. Eshi tashi shi kula apa omusholododo wondjokonona paufupi yo mapulo 9:

**SHIIVA EHOKOLOLO**

- 1. **Omaukwatya**
- 2. **Oilonga**
- 3. **Oitwa yo Mauyelele**

**UDAKO EHOKOLOLO**

# *Omaukwatya Eli Kalekelwa yo*

## **KU IMIKA OIIMATI NOKU INDJIPALA**

Eshi to ende oku pitila momahongo o BFAM noku lihonga omilandu, oto didilike omaukwatya eli kalekelwa momusholondodo aa itaa hangika momahongo Ombiibeli ngaashi shito. Omaukwatya taa shikula apa ane otae kupe oule weudeko ou tau ku yoololifa omahongo o BFAM ko mahongo amwe yo Mbiibeli naashi sha ninga omahongo aa ena ongushu.

### **1 - BFAM OLO EHOKOLOLO LELI KOLELELA MOMAHONGO OMBIIBELI.**

Keshe ehongo lo BFAM oleli kolelela mehokololo lo Mbiibeli. Oihongwa ka ishi ashike omahongo a kamungaho afa ina eli kolelela Komishangwa, ndele yo omahokololo olela nomafaneko akufwa mo Mbiibeli. Eshi Jesus euya kombada yedu ndee ta hupu onghalamwenyo mokati kovanhu Ye okwa honga ovashikuli Vaye ta longifa omahokololo nomafaneko. Nokuli, embo la Mateus ola shangwa etomhelo la Jesus kutya oshike Ye ha longifa omafaneko:

Jesus okwa tonga adishe edi keengudu dovanhu momafaneko, Oye ina tonga kuvo di he fi domafaneko. opo eendjovo odo domuprofeti di ninge doshili eshi ta ti; Ohandi popi momafaneko, ndee handi holola eshi sha kala sha holekwa kehovelo lounyuni."(Mateus 13:34-35)

Moka tukulwa aka Jesus otetu pe oule wetomhelo kutya omolwashike Kalunga achoolola oku popya ta longifa omahokololo nomafaneko. Jesus otati kutya Kalunga okwa holeka omadilaadilo Yaye no inyengandunge Yaye momahokololo nomomafaneko.

Eshi to konaakonamo Ombiibeli oto mono kutya konyala 70% do Mbiibeli aishe oya tulwa momahokololo, momafaneko nomomityo. Eshi ota shi ulikemo shayela kutya Kalunga okwa tula omufindo neenghono momahokololo nomomafaneko. Sha totwapo owina ko va toti vo BFAM kwa halika kutya oileshwa otai taalele momahokololo nomomafaneko opo omusholododo wo ma hongo aa taa kala eli koshi yo ufemba wo Mishangwa. Mukeshe oileshwa yo BFAM oto didilike kutya omuna oitya inini ei ina idja lela sha ukilila mo Mbiibeli.

Omusholondodo woma hongo aa okwa taalela momahokololo Ombiibeli shaashi omapu unene no ku dimbulukwa ndele no ku lombwela vakwetu vamwe. Naashi to monomo oinyengandunge ei ya holekwa mo Mbiibeli oto dimbulukwa omamonemo aa yeli kalekelwa shaashi oweya kongu unene noilonga ndele to amono. Kwa wedwa, na ngaashi to tameke oku monamo oiholekwa mo Mbiibeli tai kala yili yo paumwene ku ove no tai kala ya longekidwa no ya yela nawa oku tukula na vakweni.

# IMIKA OIIMATI NOKU INDYIPALA

Meshito otwa mona kutya Kalunga okwashita keshe oshiima shina omwenyo neshiivo loku "imika oiimati" no ku "indyipala". Kombinga yeshito mOmbibeli otayiti kutya oinamwenyo aishe oya shitwa yidalafane "yelifaafana." Eshi Kalunga ashita omunhu, omulandu woku imika oiimati no woku indyipala inaulunduluka. Kalunga okweva yambeka ndele tati kuvo, "Imikeni Oiimati noku Indyipala momuvalu; adifeni edu ndele tamu pangele mulo." (Genesis 1:27-28)

Otwa shitwa ku Kalunga tete ndele Kalunga tetu "yambeke" tu imike oiimati noku adifa edu. Konima yeedula 6,000 ovanhu ova wanifapo oshipango eshi ndele tava adifa edu.

Eshi Jesus Kristus ali kombada yedu Okwa popile kombinga yomhumbwe yovanhu va monemo edalo litivali ile edalo lopamhepo. Shoosho nokuli, Jesus ati itodulu okuya mouhamba wa Kalunga ngeenge ino mona edalululo eli. Jesus okwa nyamukula, "Oshili shili Handi kulombwele, kapena ou tai mouhamba wa Kalunga ngeenge ina dalululwa momeva no mOmhepo. Ombelela ohai dala ombelela, ndele nee Omhepo ohai dala omhepo." (Johannes 3:5-6)

Kristus okwetu ifana tumone omwenyo mupe. Omwenyo mupe ou owa dalwa kOmhepo lyapuki. Ohatu ulikemo edalo eli letu lipe pokati kovanhu okupitila meninginifo momeva. Oshipango sha Kalunga tu imike oiimati noku indyipala osha longwamo medalo letu lopa Mhepo. Mo mwenyo wetu upe mu Kristus fye otwa pewa ouwa noshipango tu indyipale meenghalamwenyo detu dopa Mhepo. "Ndele Jesus okweya kuvo ndele tati, 'Oufemba aushe meulu no kombada yedu ondeupewa. Oshonee hano, indeni ndele tamu kaninga ovanhu ovahongwa Vange moiwana aishe, vaninginifeni medina la Xe nolo Mona ndele nolo Mhepo lyapuki, ndele tamuvahongo okudulika mwaa ishe ei ndemu lombwela.'" (Mateus 28:18-20)

Fye otwa ifanwa ku Kristus tu ninge ovanhu ovahongwa no kuva ninginifa ve uye mouhamba wa Kalunga. Fye otwa ifanwa tu hupe eenghalamwenyo edi hadi imike oiimati yopa Mhepo, ei tai tu wilike me indyipalo ledalo lopa Mhepo.

Ndele tamu imike oiimati ndele tamu indyipala Mouhongwa pa Shihopaenenwa no pa Ndjokonona, omahongo aa okwa to twapo opo ahonge ovashikuli va Kristus, noku va wilika monghalamwenyo yoku imika oiimati yopa Mhepo ei tai etapo oidyemo yoku indyipala. "Shaashi nye omwa dalululwa, ndele hako mbuto ei tai olo, ndele nee kwaai itai olo, okupitila Mondyovo ei yina omwenyo ya Kalunga." (1 Petrus 1:23)

Omwene ne ku yambeke lela noiimati noku indyipala kopadalo lopa Mhepo monhalamwenyo yoye mwene nomoshilongatumo. Natu mone edu la adifwa naava va dalwa mouhamba wa Kalunga!
